

Joplin Youth Baseball

2826 Wisconsin Ave • Joplin, MO 64804

I am excited to let you know that we are preparing for baseball season in Joplin. Joplin The boys are working this winter to prepare their bodies and minds to learn and participate in the national tradition of organized baseball.

Joplin Youth Baseball is dedicated to providing meaningful educational and developmental activities, along with wholesome learning experiences for youth and families through the game of baseball. In order to provide these opportunities, a stable financial base is essential to our organizational existence and program success. Players and families often have limited financial resources with which to pay for the player participation expenses associated with each instructional activity and/or tournament. Travel, uniforms, equipment, tournament entry fees and facility/field rental require substantial funding.

I would like ask your company to financially sponsor Joplin Youth Baseball this year. I recognize that you have a variety of places that you can choose to invest your sponsorship and advertising dollars. As a part of your sponsorship, your company name and logo will be prominently displayed at all of the games as part of the Joplin Baseball team banners. We are also excited to announce that as part of your sponsorship this year, you will be given a free web banner advertisement on JoplinBaseball.com.

Character, quality, commitment, and capability serve as the basis for player selection, team formulation, coaching decisions, and overall team operation. Your consideration of this request for support is greatly appreciated.

Respectfully,

Brian S. Crouch
